

MODERN SLAVERY STATEMENT

Epicentre is opposed to all forms of human trafficking, slavery, forced or compulsory labour, and all other human trafficking activities.

We are committed to achieving the highest integrity standards in all our business operations and we expect all suppliers doing business with Epicentre to share this commitment.

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour, and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain.

Epicentre has a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships. We are dedicated to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

As part of our contracting process, we include specific prohibitions against the use of forced, compulsory or trafficked labour, or anyone held in slavery or servitude, whether adults or children, and we expect that our suppliers will hold their own suppliers to the same high standards.

Epicentre only works with reputable factories that we have long-standing relationships with. We conduct regular checks to ensure there are no signs of forced or slave labour in our supply chain.

More information about our policies and procedures can be found in our Vendor Code of Conduct.
